Tigran Mansurian @Svetlana Nersesvan

Tigran Mansurian

Tigran Mansurian @Svetlana Nersesyan

Armenian born in Beirut, Lebanon, Tigran Mansurian is recognized as one of the precursors of contemporary music in the former USSR and the first to introduce modern techniques of composition in Soviet Armenia, where he has lived since 1947. Composer of works for orchestra, chamber music, choral and vocals, his music traveled the world.

The conversation with Miguel Sobral Cid, deputy director of the Foundation's Music Service, will have simultaneous translation.

17:00-18:30
